Dear Parent / Carer,

Examinations Update

I hope this letter finds you and your family safe and well. I am writing to you to provide you with an update in relation to GCSE examinations for Summer 2022.

As you may already be aware, examination boards have now made available 'advance information' to schools and students. In addition, Dr Jo Saxton (Ofqual Chief Regulator) has written to students to provide further clarity and reassurance around examinations this summer. A copy of the letter is attached to this email.

To access 'advance information' please click the link below.
