& Sixth Form College

19 June 2019

Dear Parent/Carer

Invitation to Consultation Process – Vision and Values

Our school culture, ethos, community and tradition are built on our values. It is these values which dictate and shape our future. The demands placed on our young people leaving secondary education are changing and it is no longer enough for school leavers to arm themselves with a collection of academic qualifications.

A purposeful and effective vision and ethos should also pay close attention to how students will be supported, nurtured and encouraged to develop as individuals and be prepared to live, work and contribute successfully and inclusively in their chosen communities.

With this at the heart of our future plans we are working towards re-establishing our vision and values. As a Parent/Carer, I would like to invite you to participate in our consultation process. It is hoped that your views will help shape our vision and values for years to come.

I would also like to use the opportunity to explain the rationale behind some of the changes that will take place from September and answer any questions that you may have as we continue to strive for greater success for the young people at Holderness Academy and Sixth Form College.

The sessions will be as follows and take place in the Main Hall:

- Monday 8 July 4.30 - 5.30pm - Year 7
- Monday 8 July 6pm – 7pm - Year 8
- Tuesday 9 July 4.30 – 5.30pm - Year 9
- Tuesday 9 July 6pm – 7pm - Year 10

I look forward to meeting you.

Yours sincerely

Mr S Wilson
Headteacher

Collective Aspirations: Individual Success
