**Smart learning**

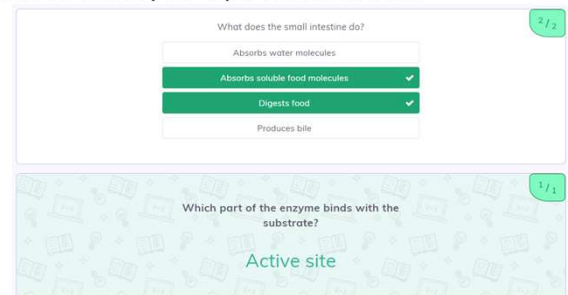

Boost your memory strength with our smart algorithm's suggestions

- 1.1.1 Types of Cells
- 1.1.2 Properties of Prokaryotes
- 1.1.3 Standard Form
- 7.1.1 Communities
- 7.1.2 Communities 2

## Regular retrieval practice

- improves your GCSE by a whole grade.

Smart Learning Mode tells you what to learn and when to maximise your progress for a subject. The smart algorithm will use insights from cognitive neuroscience & AI to generate recommendations of which sections you should study for a particular course.

## Bespoke Revision Booklets

All students have been provided with four revision booklets:

\* Paper 1 (yellow) – Religion & Ethics through Christianity (a detailed booklet & a summary version)

\* Paper 2 (green) – Religion, Peace & Conflict through Islam (a detailed booklet & a summary version)

The detailed booklets are also available on Teams.
