

## HA1 & HA2 Bus Services

**Holderness Academy**  
& Sixth Form College

The Academy, at its entire discretion, provides and subsidises 2 bus services to transport students from the Hull area to and from the Academy. These services, known as the HA1 and the HA2, are provided by Ellie Rose Travel.

The cost to use these buses is £390 per academic year, however, payments can be made in monthly instalments by standing order, or via your School Gateway account from September to June each year.

Users of either service will need to have a valid pass to board. These are provided in the form of an annual pass and will be available for students to collect from the Academy's Student Reception following receipt of the first monthly instalment.

**During the first week of the autumn term, passes will not be required, thus allowing time for students to pay for, and collect their passes.**

All passes purchased can be used interchangeably for either the HA1 or the HA2 bus.

Passes must be presented to the driver upon boarding the bus. Replacement passes will incur a £5 charge.

In the event that you are eligible for a Scholars Bus Pass from Hull City Council, please ensure you register with Hull City Council transport via their website, which can be found by clicking [here](#), and let the school office know your application is being processed.

Please note that the Academy reserves the right to terminate a child's right to use the HA1/HA2 bus service with immediate effect should payments cease.

Please direct all travel enquiries regarding payment of the HA1 and HA2 bus services by email to [office@holderness.academy](mailto:office@holderness.academy)
