

3rd February 2022

Dear Parent/Carer,

Mock Interview Day – Friday 10th February 2023

We are delighted to be able to offer a Mock Interview Day to our Year 11 students on Friday 10th February. We have a fantastic range of employers who will be conducting interviews and giving our students valuable feedback that they can apply in the future.

Mock interviews provide a realistic simulation of a recruitment process and interview setting. The experience of attending an interview and receiving feedback will boost students' confidence and enhance their employability skills. Where possible, we have tried to match students to the careers they are interested in.

To make this experience as realistic as possible, students need to come dressed for an interview, rather than in their school uniform. There is no need for them to purchase anything new as they can adapt their school uniform by wearing a smart top or changing their tie.

We are delighted to welcome [PUSH](#) to Holderness Academy for our Mock Interview Day. PUSH is a team of professional performers who will deliver an inspirational talk to our Year 11 students during the afternoon.

The timings of the school day on Friday will remain the same and all academy buses will run as normal. With the exception of Year 11, 12 and 13 **the academy will be closed to all other year groups on Mock Interview Day.**

If you have any questions, please do not hesitate to contact me.

Yours faithfully,

Mr C Derbyshire
Careers Leader
