

13th March 2023

Dear Parent/Carer

Personal Development - Comic Relief

The personal development of our young people is at the forefront of everything we do and is driven largely by the academy values of being Aspirational, Resilient, Respectful and Kind. As you know, each week we deliver a different theme or topic to students during tutor time and we participate in whole school activities periodically throughout the year to develop our learners' sense of community. I am writing to inform you of the most recent and upcoming activities that are taking place.

This half term the themes for the tutor program are as follows:

- Week 1 - Online Safety
- Week 2 - Healthy Eating
- Week 3 - International Women's Day
- Week 4 - Active Travel
- Week 5 - Child Sexual Exploitation
- Week 6 - Rewards Celebration

Further to this, we are participating in the following whole school community events and projects:

- Comic Relief Friday 17th March - students are invited to wear non-uniform and make a donation via the School Gateway system. Please note that jewellery and make-up (including fake tan) is not permitted despite students being in non-uniform.

We are also selling MIND wristbands at the cost of £1 to support this fantastic charity. Please make your payment via the School Gateway system after which students can then come along and collect from Student Reception during the break or lunch period.

Yours faithfully

Mr T Briggs
Assistant Headteacher- Culture and Climate
