

25 June 2021

Holderness Academy
& Sixth Form College

Dear Parent/Carer,

I would like to take the opportunity to say how impressed (yet again!) I am with the maturity and responsibility shown by our young people with the subject matter contained in this week's tutor time which was conveyed to you in last week's correspondence. I am very proud of our Holderness Learners.

Next week sees the start of our whole school 'World of Work' theme week!

Throughout the week all students will be taking part in a number of exciting work related activities including: listening to a range of employer presentations in the tutor program, learning about employment opportunities in curriculum lessons and hearing about the different career pathways that our staff have followed.

On Tuesday 29 June, all students will also have the opportunity to take part in a virtual careers fair after school. The event will run until 18.30 approximately and students can access the fair using the following link: www.humbercareers.co.uk In addition to this, all of our Year 10 students will be taking part in virtual work experience projects delivered by a wide range of local and national employers including: Cranswick Foods, Hull York Medical School, Engie and Tilbury Douglas to name but a few!

We also look forward to Sports Week with students participating in Rounders and Softball tournaments from Monday 28 June. Please see our previous correspondence for more details about the week. I know the students are really looking forward to it!

I hope you have an enjoyable weekend.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'S Wilson'.

Mr S Wilson
Headteacher
