Under Section 42B of the Education Act 1997, as of 2 January 2018, we have a duty to provide students in years 8-13 with access to providers of post-14, post-16 and post-18 education and training. This policy statement sets out how we manage access requests from these providers.

What are Students entitled to?

Students must be allowed to:

- learn more about technical education qualifications and apprenticeship opportunities, as part of a careers programme which informs them of the full range of education and training options available to them at each transition point.
- hear from a range of local providers about the opportunities on offer, for example, technical education and apprenticeships – this can be achieved through options evenings, assemblies, group discussions and taster events.
- understand how to apply to the full range of academic and technical courses available to them.

Our Child Protection and Safeguarding Policy sets out our school's approach to allowing providers into school to speak to our students.

What can providers expect once a request has been accepted?

Once we have approved a provider, we will work with them to identify the best method for providing access to our students.

Arrangements will be discussed in advance between our Careers Leader and a nominated member of the provider's team.
